

Instruction how to send Rubles from Rosselhoz Bank to NIIB

Through mobile application of Rosselhoz Bank

1. You need to download the application **Rosselhoz Bank** in Google Play or App Store.

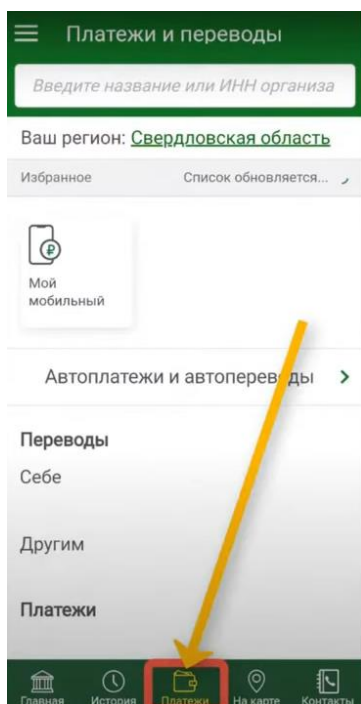

2. Log in to Rosselhozbank application by your pin, password or finger print.

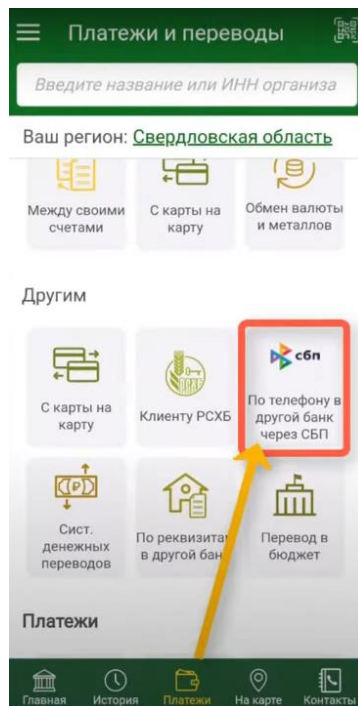

3. To transfer the funds to another bank by phone number via FPS:

- Open the main page of the mobile application. At the very bottom, choose a payment section («Платежи»).

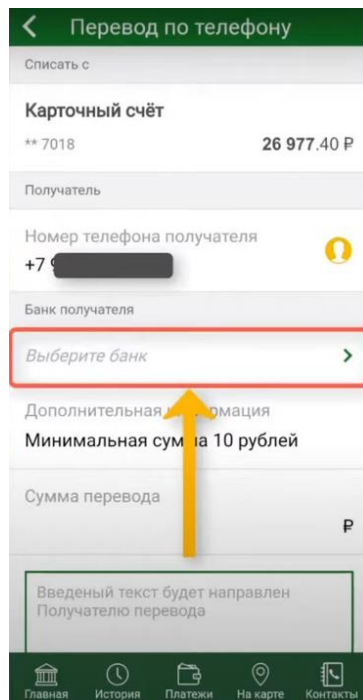

- Among the options for sending, choose “By phone to another bank via FPS” («По телефону в другой банк через СБП»).

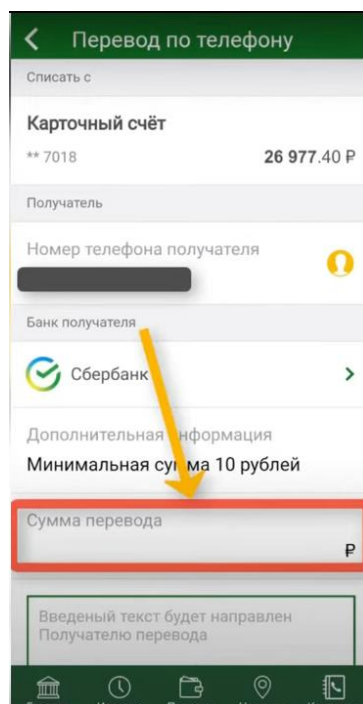

- A form will open to fill in, in which you first need to specify the recipient's phone number (the number you provided for NIIB with country code +7).

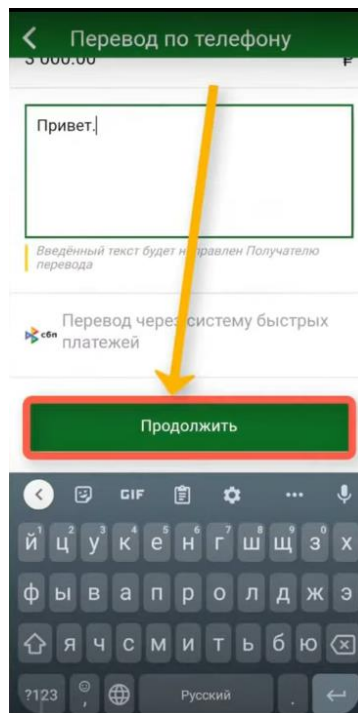

- Next, the sender selects the bank where to send funds, for example Natsinvestprombank (you need to type it in Russian – Нацинвестпромбанк).

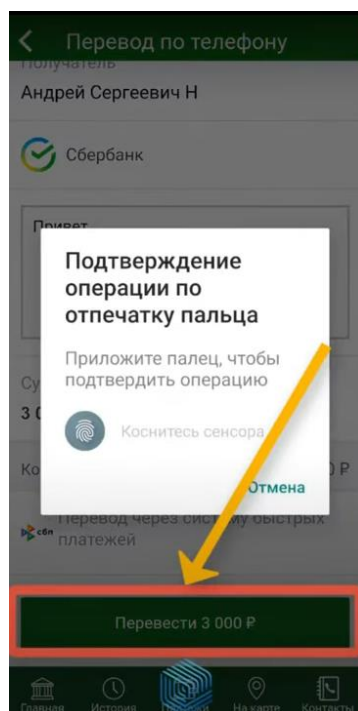

- Next, specifies the amount («Сумма перевода»). If necessary, you can fill in the message field to the recipient.

- After entering all the information, check the correctness of the entered data and click the Continue button («Продолжить»).

- Confirm the action by fingerprint or a one-time password.

The payment is done.
